

durable high performance labels
for electronic, automotive, industrial, medical applications

TTL™ 300 Series

UL/CSA Nameplate Labels

TTL™ 300 Series labels provide a cost-effective variety of nameplates, rating plates or instructional labels constructed from UL/CSA recognized materials. The label materials require a smooth surface. (For powder coated surfaces, please contact an Application Engineer who can make recommendations on alternative materials.)

To achieve optimal print quality and UL recognition, IDENTCO's TTL™ 300 Series labels have been thoroughly tested and qualified to match a TTRR™ Series Ribbon. The exceptional bond between the label material and the ribbon provides lifelong product identification.

*UL / CSA recognitions are contingent upon printing with the appropriate TTRR™ ribbon and IDENTCO material combination specified testing by Underwriters Laboratories and/or CSA.

Highlights

- Economical Nameplates, Rating Plates and Instructional Labels
- Lifelong Product Identification

Features

- Thermal Transfer Printable
- 12 Stock Sizes

Quality Endorsements

-  UL/CSA Recognized Label and Ribbon Combinations*
- RoHS Compliant
- ISO Certified

Available to Ship Today!

In Stock Nameplate Materials

TT700 - White polyester

TT730 - Glossy silver polyester

TT740 - Matte silver polyester

TTRR™ Series Ribbons

Thermal Transfer Resin Ribbons

The TTRR™ Series Ribbon passes rigorous quality testing to meet the performance requirements of the TTL™ 300 Series labels. The critical bond between the ribbon and the material topcoat ensures lasting legend permanence.

IDENTCO offers a complete line of thermal transfer ribbons for various label applications.

*UL / CSA recognitions are contingent upon printing with the appropriate TTRR™ ribbon and IDENTCO material combination specified testing by Underwriters Laboratories and/or CSA.

Highlights

- Abrasion & Solvent Resistant
- Legend Permanence
- Compatible with Standard Thermal Transfer Printers

Features

- High Performance Resin
- Coated-side In / Side Out

Quality Endorsements

-  UL/CSA Recognized Label and Ribbon Combinations*
- RoHS Compliant
- ISO Certified
